But mama said that you are very rich. If your rein-deers get tired you can find plenty of boys and girls that will help you for a few pres-ents.

Dear Old Santa:-

We live so far from town, I am afraid you will not get around to our house, but if you should, you will be warmly welcomed.

There are seven children in our home I am ten years old, and have two brothers older than myself, and three brothers and a sister younger.

I would like a little knife and some oranges. I hope my letter will win the prize for I want a big doll to give to my little sister. Please remember all my brothers. Of course you know what boys like.

Good-by old Santa.
